## **MWCA Bursary Application Information**

In partnership with the Winnipeg Foundation and the Manitoba Government, the MWCA is pleased to offer apprentices in the Interior Systems Mechanic/Lather (ISM) Trade with the opportunity to be awarded with a \$1000 Bursary to assist with the financial strain that Continued Education may present.

Once you have received confirmation of registration for your upcoming Red River Community College ISM/Lather class you are able to complete the attached application. Your application and all the required documents should be received by us within two weeks of the start of your first class. Applications will be reviewed by the MWCA Board of Directors, and the Winnipeg Foundation will award a bursary to the lucky applicant(s) once you have successfully completed your course and your marks have been received.

We thank all of you that apply and wish you great success with your upcoming course. Please note, only the winners will be notified, and applications will be reviewed on a first come first serve basis.

Regards,

Your 2026 Board of Directors
